¹ On Saturday, Workshop A and Workshop B will be running at the same time in separate rooms. Please review session descriptions under “OCI 2016 Sessions” on the website and be prepared to indicate which Workshop you plan to attend.

² This time available for your case-study groups posted on the website. Please note that Friday’s group time will include an “Author-on-Tap” section where you will have the opportunity to directly connect with an author from your case study.

³ Open Spaces are 45-minute blocks of time for spontaneous, participant-driven and informal sessions. Examples include: requested time with an “expert” about a particular topic; a group wishing to meet about a shared interest. A more in-depth explanation of Open Spaces is available on the website under “OCI 2016 Sessions.” Attendance is voluntary.

*****NB: Please make sure that you bring a laptop, tablet or other similar device to ensure you can take full advantage of the Workshops and Group Work opportunities**
